

SELAMAT PAGI GOOD MORNING,

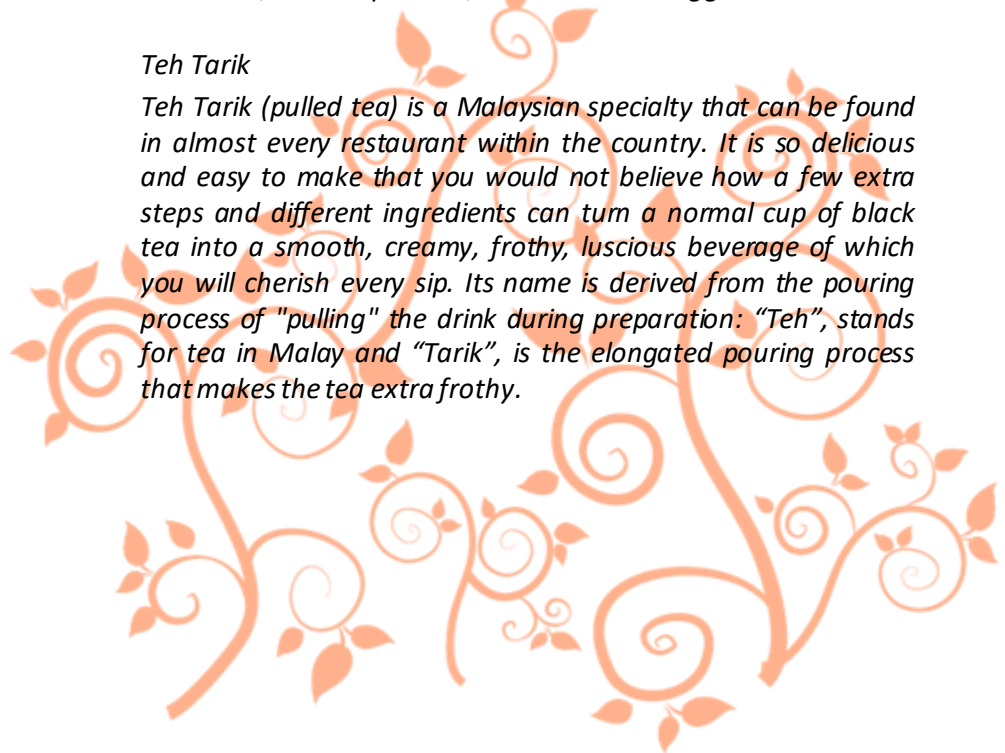

Breakfast time in Langkawi commences at 7.00am, you can feast your eyes and taste buds on Nasi Lemak and Teh Tarik which can be found in almost every street on the island. Here at The St. Regis Langkawi, you will find the perfect combination of both at our breakfast buffet.

Nasi Lemak

Nasi Lemak is a cuisine consisting of fragrant rice cooked in coconut milk and pandan leaf. It is not only the national dish of Malaysia but also popular within the region such as Singapore, Brunei, and Southern Thailand. The traditional Nasi Lemak is served with a hot spicy sauce, known as "Sambal", and it includes various condiments such as fresh cucumber, fried anchovies, roasted peanuts, and hard-boiled egg.

Teh Tarik

Teh Tarik (pulled tea) is a Malaysian specialty that can be found in almost every restaurant within the country. It is so delicious and easy to make that you would not believe how a few extra steps and different ingredients can turn a normal cup of black tea into a smooth, creamy, frothy, luscious beverage of which you will cherish every sip. Its name is derived from the pouring process of "pulling" the drink during preparation: "Teh", stands for tea in Malay and "Tarik", is the elongated pouring process that makes the tea extra frothy.
